Dave Matson

Check under the Resources Tab for directions for making Wig Stands. If you notice the ones below have an area around the base for hair pins. Include that as part of your design for the ladies.

Susan has made contact with a group that is very excited about our group providing wig stands. They can use all that we can make for them at this point. The picture below is Susan giving these two stands to the group. See design details under the **Resources tab** for the website.
