VESSELS OF ILLUSION

WITH

TRENT BOSCH

Liz Meyer and Marlise Schmidt shared about the club library and the materials in the library. A complete list is now available on the club website. You can check out items for a month. The items will be available for check out during the club meeting. They are stored in the club cabinet. There is a fine if you do not return the item during the next club meeting.

The club watched segments of the Trent Bosch video Vessels of Illusion. When Trent was here years ago this is the demonstration that he did for the group that attended his session.

Show and Tell

Dan Oliphant – 20" x2" English Walnut

Susan McCoy – How to fix a hole in the bottom

Connis Wilson – Christmas Ornament

Silver Maple Burl with Sapele Finials with friction finish

Sid Bright – 2x4 pine wood bowl

Sid Bright – Segmented work that was a little thin

Since Marcia was not there to provide a sumptuous break all that was served was store bought cookies, Pepsi, Diet Pepsi, Shasta Twist and water.

The editor neglected to write down who this item was from and who won the bowl exchange. To be updated later.

Some of the items for the Raffle

There were plenty of winners but no photos taken.

Happy Raffle Winners

INVITATION TO ARTISTS WHOSE WORK INCLUDES GOURDS – WOODTURNING – WOODCARVING WOODBURNING– SCROLLING – INTARSIA– MARQUETRY FINE WOODWORKING

You are invited to participate in the

2020 IDAHO ARTISTRY IN WOOD SHOW

The Idaho Artistry in Wood 2020 Wood and Gourd Art Show will be held in the fifth floor exhibition hall at JUMP (Jack's Urban Meeting Place) on Saturday, March 21 and Sunday, March 22. JUMP is located at 1000 W. Myrtle St., Boise ID 83702. Show hours on Saturday are 9 a.m. – 5 p.m. and on Sunday, 10 a.m. – 4 p.m. The show provides an opportunity for artists working in wood and gourds to participate in a judged competition and display their creations to the public.

Five wood-working clubs (Treasure Valley Scrollers, Southwest Idaho Woodturners Association, Idaho Gourd Society, Idaho Woodcarvers Guild and Ada County Woodworkers) collaborate to make this one-of-a-kind show a major Northwest cultural attraction. The show will include woodcarving, woodturning, fine woodworking, pyrography, intarsia, gourds, marquetry, scrolling and other wood art. No affiliation with a club is required to participate.

Since moving to Boise's premier downtown exhibition hall, the show has gained increased attention, attracting over 400 entries from a multi-state area. Media, government and business support have contributed to the success of the show. Idaho's Treasure Valley is home to many notable artists who use wood and gourds as their medium. Several have won prizes in national and international competition. Aspiring artists will have the opportunity to meet and draw inspiration from these experts and have their work evaluated by professional judges.

Tools and materials used in creating wood and gourd art will be available for sale. In addition to the juried competition, there will be vendors, raffles, a silent auction, demonstrations and artwork sales. The Saturday night banquet and auction is a great place to relax and enjoy the company of other wood and gourd artists. It is not necessary to participate in the banquet to bid on auction items.

The cost of entering work in the show is \$3.00 per piece if registered in advance or \$5.00 at registration, which will take place Friday, March 20, 12-5 p.m. at the JUMP 5th floor exhibition hall. Full details, including discount coupons, admission charges, registration, and each club's prospectus (entry guidelines) and other information can be found on the Idaho Artistry in Wood website, <http://idahoartistryinwood.org>.

For specific questions, contact Doug Rose, 208 856-8856, roseboise@yahoo.com or

Rich Froehlich (208-442-7167, cdmrichleboy@gmail.com).

Check out the Club Website for all the details and forms that you need for this event.

Monte's Visit

Monte showed the new Pressure Pot that Woodcraft had designed and is available for purchase. There will be a demonstration of the use of the pot on March 21st at 1pm. This is the ad in the recent Woodcraft flyer. Congratulation to Libby for being the first to purchase the unit in Boise.

NEW

California Air Tools 365CW 5-Gallon Pressure Pot for Resin Casting

California Air Tools designed and built this 365CW Pressure Pot for Resin Casting exclusively for Woodcraft Supply. Use it to safely create 100% bubble-free castings, as well as when casting resin with wood and/or other substrates, which requires deep penetration into cavities. This heavy-duty pressure pot features a Teflon® coated steel tank for easy cleanup, removable casters for added stability, and an on/off ball valve and pressure regulator for accurate pressure settings. Tank is equipped with a safety relief valve to protect it from excessive pressures. Maximum operating pressure is 60 PSI; maximum tank pressure is 80 PSI. Air hose inlet is a 1/4" connection. Tank measurements are: exterior 16" W x 24 1/2" H; interior 13" W x 14 1/4" H. 166300 • \$249.99
